

Annual Report 2014

2014 was a good year for the Foundation. As the Board was made up of new members it gave us the opportunity to refine and describe duties pertaining to the running of the Foundation.

During 2014 The Foundation presented the Library with a cheque for \$5000. This was used to purchase computer tablets and relevant attachments. Presently the foundation puts aside \$5000 yearly to purchase something from their "wish list". The decision on how the money is spent is made entirely by the Library Board.

The Board volunteered to help the Library during the celebration of 100 years of the Gibsons and District Public Library. The Library Committee had enough help but we attended all activities and could be called upon if needed. What a wonderful celebration it was. The Library Board is to be congratulated for the planning and presentation of such a superb program.

A number of goals need completion. Again we realize that the Foundation needs more members and a bigger profile in Gibsons and area. We passed a motion to try and secure a gaming license as well. That process needs to begin.

This completes my term as Board Chair. I promised to stay on for a year which turned into two. I am proud of what we have accomplished in such a short period of time. The Board has been patient and supportive. I wish them well in all future endeavours.
